

## Power and Performance

Designed for demanding CAD software

As an AutoCAD partner, we have developed our Workstations to give performance and reliability for the most demanding CAD applications by using the highest quality components

Our workstations come with the option of windows 7 or windows 8.1 operating systems

 **Windows 8.1**

	WORKSTATIONS CAD	WORKSTATIONS 3D Modelling
Motherboard	Asus X99-PRO	Asus X99 WS/IPMI
5th Gen CPU	Intel I5 5820K	Intel Xeon E52620 V3
Hard drive	240Gb SSD Pro	Samsung 512Gb M.2
Memory	16Gb DDR4	32Gb DDR4
Graphics	PNY K640 Quadro	PNY K4200 Quadro
Power Supply	Corsair AX 760i	Corsair AX 1200i
Cooling	Noctua LGA 2011	Noctua LGA 2011
DVD	DVD RW	Blu-Ray RW
<b>OPTIONAL UPGRADES</b>		
Secondary Hard drive	Intel 240Gb, 2Tb WD	
Memory	Additional 16GB to 128Gb	

\*These specifications are examples as we build all our machines to your requirements

## Features

- Dual Intelligent Processors with 4-Way Optimisation
- USB 3.0 Boost – Faster USB 3.1 with UASP in Windows 8.1
- Fan Xpert 2 – The Most Customizable Fan Controls

For more information or to arrange a demonstration please call **01777 279 707**

## Maintenance

Please see [www.sharpe-systems.co.uk/hardware-support.html](http://www.sharpe-systems.co.uk/hardware-support.html) for details on our hardware support contracts.
